

Great News!!! State participation in SERFF, as the preferred choice for the review of rate and form filings, continues to increase. We have surpassed the halfway mark! SERFF's web based interface makes it even easy to become a SERFF user. All you need is your internet browser.

**File faster, file easier
SAVE MONEY**

www.serff.com

Nebraska is #29

Nebraska is accepting all life, variable life, annuity and variable annuity policies, certificates, riders, endorsements, applications, schedule pages, and other forms and Medicare supplement advertisements and long-term care advertisements through SERFF!

The state of Nebraska is committed to promoting the increased efficiency of the rate and form filing process as demonstrated by its implementation of SERFF. Nebraska is the 29th state to begin accepting filings from companies using the SERFF system. What are you waiting for?

See our web site for state contact information.
